

Ausi Lite-Bar

Low Voltage L.E.D. Patio Lighting

**Low Profile Powdercoated Aluminium Body
Beam or Roof Deck Mounting Options
Long-Life Low Voltage LED Light Strip
Fully Remote Controlled
Easy to Install**

Chamelion Lighting

Ausi Lite-Bars feature an Aluminium Body powdercoated to match the colour of the roof or beam so that it almost disappears when not in use. No-hole mounting options for quick & easy installation.

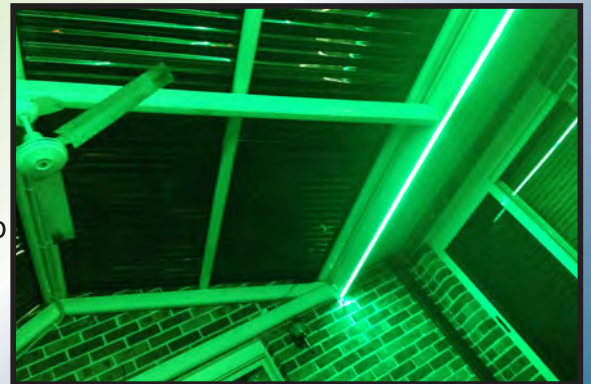

Colour Your Life

From Pure White to Party Light. Ausi-Lite Bars can bathe your patio area in soft mood lighting or they can transform it into a strobing, colour changing party place.

Performance Guarantee

Ausi Lite-Bars only use top quality "5050" LED light strips. With an estimated lifespan of 50000 hours the 12 volt Ausi Lite-Bars are cheap to run and come with a 12 month warranty. "Waterproof" strips also available for highly exposed installations.

Take Control

Ausi Lite-Bars put you in control. A full function Infra-Red Remote lets you change from peaceful to party mode without even getting up. It's a bit like a push button party starter.
