Maximum Safety

Keep it safe with a wide range of railings and balustrade designs available from Ausiports. Choose from the Classy Timber and Stainless Steel Wire Combination, Glass, Traditional Timber or a range of Aluminium Balustrade designs.

Design Compliance

Custom designed and built to meet the latest Australian Standards & Building Codes, your new Ausiports Handrail or Balustrade will make sure your deck or patio is the ideal, safe place to entertain family and friends.

Material Choice

Material choice is about more than just a cheap price. Your handrail or balustrade needs to pass the test of time. Only the finest quality materials go into an Ausiports Handrail and as a result they will look great and keep you safe for years to come. Ausiports Guarantee it.

One Stop Shop

Ausiports can supply and install your new balustrade or handrail as part of the overall building process. True One Stop Shop convenience saving you time and expense.
