General Warranty Details

Ausiports offers the following warranty coverage on the products supplied and installed as part of the work described in the signed and agreed Contract of Sale, when maintained in accordance with the Care and Maintenance Instructions supplied.

Works performed and products supplied by other Contractors are not covered under the Ausiports Warranties. Ausiports does not warrant against pre-existing faults and failings relating to existing buildings and structures and if called out to remedy a pre-existing fault (not relating to works carried out by Ausiports), a service/ call-out fee will be charged.

General Construction – Residential

As required under the Building Code of Australia, all **structures** supplied and installed by Ausiports must be covered by a statutory warranty period for major defects of 6 years, and 2 years for all other defects.

Roof/Gutters/Beams/Posts – Structural Warranty

Warranty details and conditions are dependent upon the products specified and the individual system supplier. Warranty coverage is offered directly by the System Supplier. Application for this warranty is made on behalf of the client by Ausiports on completion of the project.

Water Leaks

Ausiports Warrants against water leakage into the new structure for a period of Three (3) Years. Pre-existing roof plumbing or other water leakage issues are not covered by this warranty and the diagnosis and rectification of pre-existing leakage issues will incur service charges

Garden Sheds

Ausiports offers a 12 Month Warranty covering materials and workmanship.

Privacy Panels - Slatscreen

Ausiports offers a 12 Month Warranty covering materials, installation and workmanship.

Security Doors & Screens

In addition to the “System Specific Warranties” of 15Years for INVISI-GARD Products and 1 Year for Generic, Aluminium Security Doors and Screens, Ausiports offers a 1Year Warranty covering General Workmanship and Hardware items such as Locks, Door Closers, Hinges and Rollers.

Workmanship

Ausiports offers a 12 Month Warranty covering general workmanship.

Australian Standards and Building Codes

Where the products and services supplied and installed by Ausiports are subject to product specific Australian Standards or Building Codes, Ausiports warrants that the construction and installation of those products will be carried out in accordance with the relevant standards and codes.

All warranties offered by Ausiports relate only to the rectification or replacement of the defective product.

For Brand or System Specific Warranty details and for items not covered in this document, please contact Ausiports or the Original Product Manufacturer for further information.
