Ausdeck is the affordable solution for all your outdoor extensions:

Ausdeck V-Line is an affordable, single skin roofing system designed specifically for home improvement applications.

Ausdeck V-Line is a feature packed patio roofing material with a smooth, clean VJ appearance and an 80% high gloss ceiling finish. It's manufactured with a plastic protective film, which is removed during installation and features a weather-proof joining system, fluted beams and profiled powder coated posts. Ausdeck V-Line is available in a variety of contemporary colours.

Choose from an extensive range of roofing styles: from flat roofs with skylights or an attached angled gable roof, to carports with a choice of designs customised to blend with your existing roofline.

Outdoor Living Design Options

Flat Roof

Ausdeck V-Line offers endless design possibilities - to help you choose the right finish for your outdoor living space, Ausdeck has created a virtual designer tool. "Vision Patio Styler" is a cleverly designed computer program that allows you to mix and match design elements and colour finishes to explore the best design for your living environment. Design your dream al fresco living area today from the comfort of your own home by visiting www.ausdeck.com.au

Gable End

A gable awning with recessed skylights or a free spanning roofline to match your existing roof? A traditional flat roof design or a self bracing hip roof for a high pitched effect? Because each and every Ausdeck roof is custom designed, your new outdoor living area is limited only by your imagination! Ask your patio designer to recommend the best solution for your house style, or experiment with different finishes with the "Vision Patio Styler" on our website.

Combination Roof

Ausdeck V-Line is manufactured in Australia to withstand the harshest local conditions. Our super strength 1.2mm Shurelock beams are the strongest on the market. We're so confident in the strength and durability of our product that we offer a 15 year guarantee on every patio system we manufacture.

Free Span

The team at Ausdeck has more that 100 years combined roofing experience. Ausdeck is one of the largest patio producers in Australia and our systems are engineered to provide maximum comfort at the most cost effective price. That's because our systems are custom-designed for easy installation and delivered right to your door. Bring your outdoor living area to life with Ausdeck roofing solutions. Functional. Durable. Affordable.

PATIOS & ROOFING

About Us

Ausdeck Patios & Roofing is an Australian owned and operated company specialising exclusively in patios and roofing systems for both the home improvement and commercial market. Our systems are distributed by accredited patio builders, home improvement companies and commercial contractors throughout Australia. Ausdeck is the only patio manufacturer in Australia manufacturing both single skin and insulated roofing systems entirely in-house: allowing us to ensure the highest quality product is always produced.

Each and every Ausdeck manufactured product undergoes a rigorous five-point quality check before it leaves our manufacturing facility.

Ausdeck: ask for it by name.

Our Warranty

We're so confident with the quality of our V-Line Patio System, we offer a 15 year Warranty. Our unrivalled guarantee protects you against defects which may be caused by the manufacturing process. When you buy from Ausdeck, you're purchasing from a reputable Australian manufacturer of quality custom-designed products to withstand the harshest of conditions.
