

Patio Awnings

Designed to Impress - Engineered to Perform

**Skillion, Gable, Curve or Combination Designs
Fascia Mount, Flyover or Fully Integrated
Huge Range of Colorbond Colours
Fully Insulated Roof Options
Obligation Free Quotes**

Hey Good Lookin'

With design options and a colour range to suit all styles of home, your Ausiports Patio Awning will not only look sensational but will add a whole new dimension to your outdoor living experience.

Light & Shade

Take control of the sun by choosing to fit Light Panels in your new Ausiports Patio Awning. Save money on power and add a great looking design feature to your awning. Alternately, keep cool under a full Colorbond Roof Deck

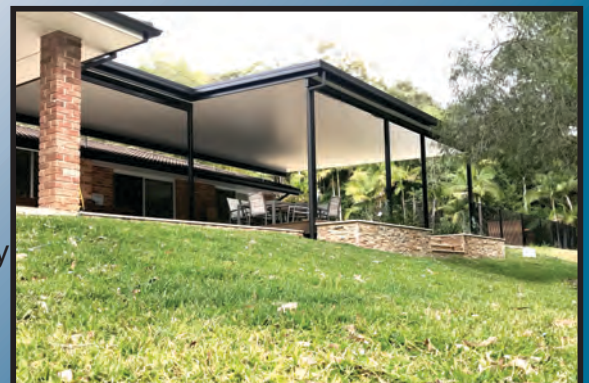

Performance Guarantee

All Ausiports Patio Roof Awnings are designed & engineered to suit the site specific conditions of the clients' home. All Ausiports Awnings are covered by Structural Guarantees of up to 15 Years.

Flyover Roof Design

The innovative "Roof above the Roof" design concept of the Ausiports Flyover Roof Awning addresses many of the issues relating to unusual or problem installations.
