Straight Drop Blind

Straight Drop Window Blinds are ideal for passageways and tight spaces where the blind needs to hug the wall. Choose from Spring loaded, crank operated or an internally mounted winder, these blinds look and work a treat.

Automatic Blind

Need protection from sun and rain but still good ventilation? The Automatic Blind stands out from the window allowing plenty of air to circulate around the blind and into your windows.

Ziptrak Blinds

Ziptrak Blinds are the ideal choice when looking for an "Enclosure" style blind. Fully retained track guided fabric & vinyl blinds that keep the sun, rain, wind & heat under control. Manual or Electrically operated options are available.

Ambient Blinds

Available in a range of configurations, an Ambient blind is the ideal way to create your own private oasis. Choose the fabric colour and the level of shade or privacy required. Manual or Electrical operation puts the control in your hands.
